Re: Mack Trucks V. UAW  
Case No. 7-3737 - Objection to Proposed Settlement

PROSECUTOR'S OFFICE

Dear Sir:

This letter serves as my objection to the proposed settlement. I was an employee of Mack Trucks for 37 years and would have to pay \$80 a month for an inferior health care plan while other employees with less years of service pay lower premiums. All retirees should be required to pay the same amount for health care.

Sincerely,
